LETTER OF APPROVAL

ACKNOWLEDGEMENT

We would like to express our heartfelt gratitude to all those who contributed to the successful completion of this project, "**FAVOURITE BOOK COLLECTION SYSTEM**". This project would not have been possible without their support, guidance, and encouragement.

First and foremost, we would like to thank and express our deepest gratitude to our supervisor, **Mr. Dharma Raj Poudel**, for his guidance, support, and supervision throughout the project. His insights and feedback have been valuable in shaping the project documentation. Thank you so much for your continuous support and presence whenever needed.

We also wish to express our sincere thanks to Trinity International College for providing and giving us permission to use all required equipment and the necessary material to complete the project.

Our friends and family deserve a special mention for their encouragement, love, and support. Their unwavering support helped us stay motivated throughout the project.

ABSTRACT

This project presents an online book collection system designed to enhance the reading experience in the digital era. It enables easy access to a vast array of books, allows users to search and add favorites, and supports online and offline reading. The “Favorite Book Collection System” which has been created allows users to add book to their collection which makes reading books easier. Implemented using PHP, HTML, CSS, Bootstrap, JavaScript, and MySQL, the system offers both user and admin functionalities. Future recommendations include genre-based searching and providing similar genre for continuous improvement.
